She Loved the Hurt Right Out of Me

Jonny Williams

Jonny Williams has been a country music artist since the late 1980s - firstly as a member of the rockabilly band The Mercury's and then as a solo artist. His music is steeped in the roots of traditional country music.

Jonny performs well over 200 shows a year and readers of UK's Cross Country Magazine voted him Solo Artist of the Year for two years running in 2005 and 2006.

In 2010 his song "One Sided Love Affair" won the UKCountryradio.com "Listener's Award". "She Loved the Hurt Right Out of Me" is another of Jonny's own composition and his second single for Wye Creek Music.
